

The Social Media Strategy Clinic

WE WORK WITH YOU TO IMPROVE SOCIAL MEDIA
IN YOUR SMALL ORGANIZATION

[Apply now for our Spring 2021 Program!](#)

SIMPLE STRATEGIES FOR MISSION DRIVEN ORGANIZATIONS

The Social Media Strategy Clinic is a program of Activism Always. Our team works with mission-driven organizations to implement social media engagement analytics strategies by providing the following:

- Impact Analysis & Measurement
- Social Media Engagement Strategy
- Communications Outreach & Marketing Strategy

The Social Media Strategy Clinic is flexible to the stage of data and social media integration of your organization, whether you have yet to begin using social media or want a boost to your existing strategy.

The program is 1-month long. Enrollment in the program is \$500 with services available throughout the enrollment period (capacity willing).

Eligibility

- Mission Driven Organization (Nonprofit, B-corp, etc.)
- Annual budget under \$2M
- Preferred from Midwest region
- Priority for human services missions who target issues around:
 - Youth outreach and other age related services
 - Social and economic inequality
 - Gender and sexual identity

Program Outcomes May Include

- Increased donor engagement through social media campaigns
- Accessible impact measurement and evaluation framework
- Improved social media literacy
- Improved data literacy
- Over \$5,000 in savings for customized consulting services
